Plan summary

keyfacts®

This plan summary contains an outline of One Fund. This section should be read in conjunction with the benefit rules and tables as well as the terms and conditions.

One Fund is a corporate health cash plan for five or more employees, that gives money back on a range of everyday healthcare expenses and is provided by The Exeter.

▶ Key features

- One Fund covers seven benefit categories
- Cover is provided without the need for the employee to take a medical
- 100% reimbursement for the employee on a range of benefits up to the plan limits subject to an excess on optical and dental benefit categories
- Pre-existing conditions are covered
- Cover for five or more employees
- Option to take out an additional plan to cover employee partners
- Dependant children of a plan holder can be added at no additional cost and will be able to share the benefits of the plan holder or partner.

▶ How much it costs

Your monthly premium will depend on the cover level selected, and the number of employees and partners you choose to cover. All premiums will be paid by direct debit.

► Key limitations and exclusions

- To be eligible to take out a plan the employee must reside within the United Kingdom and be aged 16 years or over at entry
- The employee must remain a UK Resident throughout the duration of the Plan
- The excess applies to optical and dental benefits only in each plan year and simply means that the first £50 of treatment costs cannot be claimed back (with the exception of eye tests where no excess applies)
- Where an additional plan has been taken for a partner, a separate excess must be paid for optical and dental benefit (with the exception of eye tests where no excess applies)
- We will not pay claims for any treatment required as a result of injuries sustained through participation in any hazardous pursuit, dangerous sport, professional sport, or through involvement in criminal activity
- Claims made for treatment administered, or for items purchased, outside of the UK, will not be paid
- Claims made for treatment needed as a result of abuse of, or dependency upon, drugs, alcohol, solvents or other addictive substances will not be paid
- Claims must be submitted within three months of the treatment date with the exception of those where the total cost is below the excess and the excess has not already been reached or exceeded by any previous claim/claims within the benefit period
- Each claim will be allocated against the benefit period in which treatment took place
- Children included on a plan will share the annual benefits of a plan holder, with the exception of PMI excess cover. All claims will be subject to the overall annual fund of the plan holder
- Children are not eligible for health screening or counselling and advice helpline benefits
- You may pay more in premiums than is paid out in benefit
- Should an employee leave the company plan, the company will stop paying for the employee, and the cover for the employee their partner and any children will cease.

► Duration of cover and cancellation rights

The plan will automatically be renewed on a monthly basis provided that you continue to pay premiums and comply with our terms and conditions.

If you wish to cancel the plan you can do so by giving notice, in writing, to:

1. Joining and upgrading

1.1 How to apply

The **Company Representative** will sign an application form for the One Fund Corporate Health Cash Plan (**Corporate Plan**) on behalf of the **Company**. At least five employees must be covered by the initial application.

1.2 Who can be covered?

Provided an **Employee** is a **UK Resident**, they can be covered without the need for a medical.

You have the option to pay an identical additional premium to cover an **Employee's Partner** on a separate **Plan**. A **Partner** must live with the **Employee** on a permanent basis and will be removed from cover if this ceases to be the case.

An **Employee** must be over the age of 16, as must be their **Partner**, to be eligible for a **Plan**.

We do, however, reserve the right not to accept **Employees** or **Partners** if we feel they present an unreasonable risk to the **Corporate Plan**. This is to protect the benefits we offer to existing **Plan Holders**.

Dependant Children can be added at no additional cost and will share the adult cover benefits with the specified parent, except for PMI excess cover where a separate benefit is available for each child. Children will not, however, be able to claim under the health screening and counselling & advice helpline benefit types. There is no limit to the number of children that can be added to a **Plan**.

Children can stay on an adult's **Plan** until age 18 (21 if in full-time education) at which point, cover for them will cease. We may require proof that a child is still in full time education.

Children must be born to the **Employee** and/or their **Partner** or be legally adopted by one/both of them. If both the **Employee** and their **Partner** are covered, and they wish to also cover their children, it must be specified at the outset of the **Plan** which parent's allowance each child will share.

A Child can only move from one parent's **Plan** to the other in the event of the death of the **Plan Holder** whose benefit they were sharing originally.

1.3 Adding and removing employees

This **Corporate Plan** is designed for all your **Employees**. If you have new **Employees** joining the organisation, you may take a **Plan** out for them when they join.

Subject to your agreement as the employer, a **Partner** and/or any children living at the same address as the **Employee** can be added to the **Corporate Plan**.

Joiners and leavers will impact upon your direct debit payment so we will need to know by the 10th of the month of any changes. Any **Employee** you wish to remove from cover will keep entitlement to claim for the remainder of the month for which you have paid. If you do not tell us promptly about an **Employee** leaving the scheme, we will only refund a maximum of one month of the overpaid premium for them.

The **Employee** must remain a **UK Resident** throughout the duration of the **Plan**. If an **Employee** ceases to become a **UK Resident** please let us know by the 10th of the month so they can be removed from cover.

Cover for new **Employees** will start on the date shown on an **Employee's Plan Schedule** provided the **Company** has paid the premium to cover the **Plan Holder's** entry.

1.4 Start dates and benefit periods

Cover will start on the date specified on the **Plan Schedule** and will run to the end of each month subject to us receiving your premium in advance.

Claims Entitlement will run on an annual basis from the date on the **Plan Schedule** so each **Employee** will get a new **Annual Entitlement** on each **Corporate Plan Anniversary**. Any benefit unclaimed at the end of the **Corporate Plan Year** will be lost and will not roll over into the next year.

1.5 Upgrading or downgrading your One Fund

You can elect to upgrade or downgrade the level of cover all **Plan Holders** get at your **Corporate Plan Anniversary** and therefore will be effective for a minimum of one year. An individual **Plan Holder** will not be able to pay to increase their own cover level on their **Plan**.

We reserve the right not to accept an application to upgrade or downgrade if we feel this represents an unreasonable risk. But in most circumstances your application will be processed automatically.

1.6 Annual review

The Exeter reviews its plans on a regular basis and we may change the premiums, benefit levels and **Excesses** that apply to your policy at each annual review. We will always give you notice of any such changes.

2. Premiums

2.1 How premiums are collected

Premiums will be collected by Direct Debit. The amount paid each month will be calculated from the number of **Plans** multiplied by the individual premiums which apply at the time. All **Employees** and **Partners** must be covered at the same cover level.

2.2 Premium Rules

All premiums include Insurance Premium Tax (IPT). Changes in the rate of IPT may affect the amount that you pay, which may be outside any annual review.

We will not pay claims unless all premiums are paid up to date. If a payment is missed, we will let you know. A **Plan Holder** will lose their entitlement to claim until the payment is made in full.

If no premiums are paid for three consecutive months we will cancel the whole **Corporate Plan**. **Corporate Plans** may be reinstated providing all arrears are repaid.

We will take premiums in advance and cover will be purchased for one whole month for each premium paid.

3. Plan excess

A £50 **Excess** applies once per benefit for the dental and optical benefits (excluding eye tests) in each benefit period.

We will pay any amount above this, up to the maximum shown in the illustration against your chosen cover level. The other benefits are not subject to an **Excess**.

4. Claiming

Each cover level entitles the **Employees** to a maximum level of cover which can be claimed in each **Corporate Plan Year**. Each claim made will reduce the maximum amount of cover available for further claims in that **Corporate Plan Year**.

Where a **Plan Holder** has paid for **Treatment** and wants to claim money back through their **Plan**, they will need to send us dated receipts, and let us have the address and telephone number of the **Treatment** provider.

The **Plan Holder** will need to submit the claim details to us. We offer an online portal for submission of claim details, together with scans or photos of the original, dated receipts, at www.the-exeter.com/claim.

Alternatively, the **Plan Holder** may complete a claim form and send it to us together with the original, dated receipts. Claim forms are available by:

- Calling on **0300 123 3256**
- Downloading a copy from www.the-exeter.com
- E-mailing at cashplan@the-exeter.com

We will also leave a supply with your **Company Representative**.

The Exeter will never pay a **Treatment** provider directly. We will only reimburse a paid receipt.

When we receive a claim, we will do a number of checks.

- That the receipt tells us everything we need to know to pay the claim
- That the **Treatment** is covered under the **Plan**
- The claimed amount does not exceed the **Annual Limit** for this type of claim
- That the appropriate **Excess** has been paid.

We will keep hold of any receipts so the claimant should take a copy if for any reason they need a record of the details.

All receipts sent to The Exeter should clearly show full details (name, address and qualifications) of the **Treatment** provider, so we can contact them if required.

The receipt should also show details of the **Plan Holder's** name, or that of a covered family member, being the person who received the **Treatment**.

The receipt should be itemised, or if this is not possible, a separate breakdown should be provided by the practitioner.

If the initial claim(s) in a benefit period for any particular benefit is under, or equal to, the **Excess** the **Plan Holder** can:

Keep the receipt(s) and submit it/them within 3 months of the date of the **Treatment** which takes you above the £50 **Excess** for that benefit category

OR

Send the receipt(s) to The Exeter and the value will be applied against the **Excess** for that benefit for the **Corporate Plan Year** in which the initial receipts were dated.

If a claim in a benefit period for any particular benefit is greater than the **Excess**, or is a claim to which the **Excess** does not apply, you must submit the original receipt with a completed claim form within 3 months of the **Treatment date**.

The Exeter will pay the claim less the **Excess**, up to the benefit limit.

Claims will not be paid:

- if **Treatment** had taken place before the start date of the policy
- if the claim form is incomplete and/or the original receipt is not provided
- for **Treatment** administered, or for items purchased, outside of the **United Kingdom**
- if the **Plan Holder** is not a **UK Resident** at time of **Treatment**
- for any amounts which have already been claimed from another source such as another insurance or optical/dental care scheme
- for injuries sustained through participation in any **Hazardous Pursuit, Dangerous Sport, Professional Sport** or through your involvement in criminal activity in which you are not an innocent victim
- if **Treatment** is needed as a result of abuse, or dependency upon, drugs, alcohol, solvents or other addictive substances
- where the claim is below, or equal to, the value of the **Excess**
- for any charges made by a **Hospital, GP** or other for filling in a claim form or for providing information we request relating to a claim form
- Fraudulent Claims will result in the immediate closure of the **Employee's Plan**.

All receipts must be original. We will not accept amended receipts, credit or debit card receipts or estimated bills.

Receipts in respect of claims should be submitted within 3 months of the **Treatment** being administered.

The date **Treatment** was received will determine which **Corporate Plan** Year we use to calculate the benefit allowance to pay the claim.

We will always request the bank details of the claimant so we can pay money straight into their account, which will remove any need for them to bank a cheque. This will ensure that money reaches their account much quicker, usually within 3 working days of us paying it.

We will pay claims in accordance with the terms and conditions. Additional medical evidence may be required. We regret we cannot pay for fees incurred for doctor's referral or medical information to support a claim.

Completed claim forms should be sent to The Exeter, Jewry House, Jewry Street, Winchester, Hampshire, SO23 8RZ.

5. Cancellations and termination of cover

5.1 Your rights to cancel

If you decide that this **Corporate Plan** is not suitable or does not meet your needs, let us know in writing and we will cancel it. If you cancel within 30 days of taking out a **Corporate Plan**, and providing no claims have been made, we will refund all of the premium that you have paid.

If you change your mind after electing to increase the premium for the **Corporate Plan**, and you do so within 30 days, we will refund any increased premium payment, but only if no claims have been made at the higher level.

You may cancel your **Corporate Plan** at any time. You must give us notification in writing or by telephone on **0300 123 3256**. We will cancel your **Corporate Plan** with effect from the last day of the month in which you notify us.

5.2 Our rights to cancel your Corporate Plan

We reserve the right to cancel your **Corporate Plan** or an individual **Employee's Plan** at any time giving no less than 28 days written notice, in connection with this or any other **Corporate Plan** if a **Plan Holder**:

- is not eligible for cover
- provides false information with the aim of gaining money from us
- has not acted in a fair and reasonable way.

If we feel we have to cancel a **Plan**, we will first explain what will happen and a **Plan Holder's** right to appeal. If a **Plan** is cancelled we reserve the right to recoup all reasonable expenses incurred.

If a **Plan Holder** dies, all cover will cease and their **Plan** will close.
