

92%

of health claims paid

92 just so happens to be the same number of letters in the world's longest place name.

Here's how health insurance could help someone like you

“My health insurance has made a huge difference to me and my family.”

Beth

Scan the QR code to hear Beth's story

£44k

is the average value of a health claim over £20K

That's enough 1ps to cover Liverpool's Penny Lane.

1 in 4

members claimed on health insurance in 2023

You could fill the Royal Albert Hall four nights running with that crowd. Encore!

£28.4m

paid out in health claims

That's enough cash to buy a private island in the Caribbean.
