

# ► Income is the glue in your life

If making loved ones happy is what you live for, you're not alone.

Keeping your family safe and comfortable isn't always easy, but there are one or two things you can usually count on.

We'd all like to think that a reliable, regular income is one of these. You work to keep a roof over your family's heads, to keep good food on the table and to keep Tilly in tap dancing shoes. But what would happen if this income were taken away, if the 'glue' that keeps your life together was lost due to ill health?

Thankfully, you don't have to worry; income protection can ensure you have a constant 'pay cheque', even when you can't work due to illness or injury.
