Cover and benefits

This section details what is and isn't covered by your Real Life policy with The Exeter.

Your policy is made up of the following documents:

Your application for cover

This includes your initial application and any further applications you make where your cover is varied. It also includes any declarations made when you applied for cover.

Your Policy Schedule

This sets out the current details of your cover. Your Policy Schedule shows any exclusions we may apply to your cover.

This Policy Document

This contains all the terms and conditions of your cover.

▶ **When your cover starts and ends**

Your cover starts on the start date shown on your Policy Schedule.

Your cover will end on the earliest of the following:

- The date we pay the benefit
- The end date shown on your Policy Schedule
- Where the death of the life covered is caused by suicide or intentional self-inflicted injury within 12 months of the start date
- Where the terminal illness of the life covered is caused by intentional self-inflicted injury within 12 months of the start date
- 60 days after the premium due date where you have stopped paying your premiums
- The date we or you cancel your policy as explained in the 'Cancelling your policy' section.

▶ What you are covered for

Your Real Life policy is designed to pay the benefit when the life covered dies or is diagnosed with a terminal illness.

Benefit

We will base the benefit on the sum you chose when you applied for the cover. The benefit can change during the term of the policy depending on the benefit type selected.

If you have chosen a decreasing benefit, your benefit will reduce each month after the first month of cover in line with the capital outstanding on a repayment mortgage with:

- an annual interest rate of 8%; and
- a term equal to the remaining term of the policy.

If you have chosen a level benefit it will remain the same for the term of the policy.

The benefit type that applies to your policy will be shown on the Policy Schedule.

▶ What you are not covered for

We will not pay the benefit in any of the following circumstances:

- the life covered dies in the first 12 months of the policy as a result of suicide or intentional self-inflicted injury; or
 - where a terminal illness of the life covered is caused by intentional self-inflicted injury within 12 months of the start date; or
 - the life covered, the policyholder, or their legal representative do not give us medical or other evidence we ask for; or
 - we find the life covered, the policyholder, or their legal representative has given us inaccurate, incomplete or false information on the application which would have affected our decision to offer this cover, or would have led us to offer the cover with different conditions; or
 - the policy is no longer active; or
 - the diagnosis does not meet our definition of a terminal illness; or
 - the claim is caused by something that we have specifically excluded from this cover when you applied for the policy. Personal exclusions will be shown on the Policy Schedule.

Managing your policy

This section explains how to manage your policy and the options available to change your cover.

▶ **Your changing circumstances**

Please let us know if any of your personal details change as it is important that we hold accurate and up-to-date information about you.

For example, if:

- You change your address
- You change your name.

▶ **Changing your policy**

This section explains how you can change your Real Life policy.

Whenever a change is requested, we will send written confirmation once the change has been processed.

Reducing the benefit or the term of the policy

You can request to reduce the benefit or the term of your policy at any time, as long as the reduction doesn't fall below the minimum limits allowed and your premium doesn't fall below our minimum level.

Increasing the benefit or the term of the policy

You can request to increase the benefit or the term of your policy at any time, up to the maximum limits allowed.

This change however will require up-to-date medical evidence and we may not allow the increase.

Making changes may also increase or decrease the premium that you have to pay for your policy. This information will be provided to you before any changes are made. If you wish to make use of these options, log into your personal account at www.the-exeter.com or contact your financial adviser or us directly.

▶ **When we may change your policy**

In the following circumstances, we may make changes to your policy:

- If the date of birth of the life covered is wrong. In this event we will base the benefit we pay for a successful claim on the correct date of birth. If, using the correct date of birth, the age of the life covered when the policy was taken out would have been outside our limits, we will cancel the policy and refund all your premiums (without interest). You will not be able to make a claim under this policy
- If you or the life covered provided untrue or incomplete information which could have affected our decision to provide this policy. In this event we may change the terms of your policy or the premiums you have to pay.

▶ **Paying your premiums**

You must continue to pay your premiums regularly by monthly Direct Debit.

If you fall behind on your premium payments, you will not be able to make a claim.

- If you miss one month's premium you will need to pay any premiums you missed
- If you miss two months' premiums we will cancel your policy with effect from the last paid premium.

▶ **Cancelling your policy**

We don't want you to leave but understand that sometimes circumstances change and you may wish to cancel your policy.

If you cancel within 30 days of taking out Real Life policy, we will refund any premiums you have paid, as long as you have not made a claim.

If you cancel the policy after the 30-day period there is no cash-in value and any premiums you have paid will not be refunded.

When we may cancel your policy

In the following circumstances, we may cancel your policy.

- If you miss two months' premiums
- If you have acted dishonestly or knowingly claimed for terminal illness benefits to which you were not entitled. In this event, we will recover any benefits paid to you and will not refund any premiums
- If you did not take reasonable care to answer the questions to the best of your knowledge when you applied for this policy.

If we identify fraudulent activity, we will share information with the police, other insurers and similar bodies.

▶ How to make a claim

When initially notifying us of a claim, we will ask for the following information:

- Details of the person(s) dealing with the claim:
 - their name(s)
 - address and telephone numberIn some instances, this may be a third party i.e. solicitor, next of kin or executor.
- The nature of the claim – terminal illness where life expectancy is less than 12 months, or cause of death
- Relevant dates – for example the date terminal illness was diagnosed, or date of death
- The policy number under which you are making a claim – this can be found on the Policy Schedule.

If you cannot locate the policy number we will still be able to assist, we will need to know:

- The name of the life covered
- Their date of birth
- Their postcode.

▶ **How we assess a claim**

Once a claim is submitted, we will need evidence, where appropriate, of:

- the death of the life covered (for example a death certificate); or
- the diagnosis of a terminal illness where life expectancy is less than 12 months, which will need to be completed on a claim form we send you.

Where we receive a claim for terminal illness, the life covered can be residing anywhere in the world. However, the consultant whose diagnosis we will need must practice in one of the eligible countries. All diagnoses made by a consultant must be confirmed by our Chief Medical Officer.

▶ **Who will we pay the benefit to?**

We will pay the benefit to the person legally entitled to receive it.

We will write to the policyholder or their legal representatives to establish and confirm who is legally entitled to receive it.

This could be the life covered, their legal representatives, an assignee or a trustee as appropriate.

▶ **Language and law**

All documents relating to Real Life, including any communications with you, will be in English.

This document is available in other formats. If you would like a Braille or large print version of this document, please contact us.

The laws of England and Wales apply to Real Life.

► Taxation

Benefit payable under this cover is normally free from Income Tax and Capital gains tax for UK residents.

This may change if the law changes.

A policy held by the trustees of a trust should not normally form part of the estate of the life covered for Inheritance Tax purposes. There is a potential Inheritance Tax charge when benefit is paid out of a trust (known as 'exit charge'), on every tenth anniversary of the creation of the trust (known as 'periodic charge') or if a policy is not held in trust.

This applies to UK residents only. People who are outside of the UK when benefit is received may also be subject to additional taxation in the local jurisdiction. Please consult your tax adviser or local tax inspector for clarification.

If there is any change in tax laws or other laws, we may change the terms and conditions set out in the Policy Document in order to comply with such laws.

► Assigning and surrendering your policy

If the policyholder assigns any of their legal rights under the Real Life policy to someone else (including any assignment to the trustees of a trust), we must see notice of the assignment when a claim is made.

Professional guidance should be sought before any type of assignment or changed ownership is undertaken. We cannot advise whether a trust is suitable in any particular circumstances or give tax advice in relation to the use of trusts and would recommend that you take professional advice before setting up a trust.

Your policy has no surrender value. You will not receive any benefit or refund of premiums when your policy ends.
